

Dear visitor!

The SQLab team have prepared a supplementary material related to the paper entitled: “The state of the art on design patterns: a systematic mapping of the literature”.

To access the PDF file of the supplementary material (DPs-SM.pdf), please contact us with your name, official email, and your specific request.

The DPs-SM document has the following contents:

Chapter 1 (Conducting the Search)

Table 1-1: The Secondary Studies Used for Generating Initial Set of Our SMS

Table 1-2: The Initial Set

Table 1-3: Related Journals (Info)

Table 1-4: Main Conferences and Workshops about Design Patterns (Info – Part 1)

Table 1-5: Main Conferences and Workshops about Design Patterns (Info – Part 2)

Table 1-6: Related Conferences and Workshops (Info – Part 1)

Table 1-7: Related Conferences and Workshops (Info – Part 2)

Table 1-8: Journal Papers

Table 1-9: Conference Papers

Table 1-10: Journal Papers _ Information Needed for the Analysis Phase

Table 1-11: Conference Papers_ Information Needed for the Analysis Phase

Chapter 2 (Evaluating the Search)

Table 2-1: The Design Pattern Community

Table 2-2: Design Patterns Projects

Table 2-3: Related PhD Thesis

Table 2-4: Related Master Thesis

Table 2-5: Related Books and Book Chapter

Table 2-6: Patents

Table 2-7: Researchers

Table 2-8: Data Extracted for the Evaluation Phase

Chapter 3 (Supplement Information)

Table 3-1: Domains and Technologies Documented by Patterns

Table 3-2: Researchers (Pioneers)

Table 3-3: Useful Websites
